July 27, 2016

Dear Parents, Guardians, and Students:

I hope each of you enjoyed your summer break and are as excited as I am to begin the 2016-2017 school year. I am writing to you today to introduce myself and share my priorities for this upcoming year.

I have been an administrator in Lee County for seven years, and began my career here as an Intensive Reading Teacher at Lehigh Elementary for five years. After serving the Lehigh community, I was the Assistant Principal at Littleton Elementary, where I helped to lead our school from a "C" to an "A." Most recently, I led Rayma C. Page Elementary in Fort Myers to an "A" status for two consecutive years as its principal. Currently, I am being recommended to become the new Principal of Mirror Lakes Elementary. I am excited to begin our journey together as we bring Mirror Lakes Elementary to become a shining star in the east zone.

Historically, Mirror Lakes has been strong academically and an important piece of our Lehigh community. As the new principal, my number one focus for this year and for years to come will be student achievement. I believe that all children can learn and I will work with the staff and other stakeholders to ensure that our students continue to receive a high quality education. Other areas of focus will be to maintain a safe and orderly environment for our students to learn, provide our teachers with necessary resources and professional development, and to promote parental support and involvement in our children's learning. Mirror Lakes Elementary is our school, and I ask for your support as parents to help ensure that we become one of the best of the best in the district. If you have questions or concerns, please do not hesitate in calling the school at (239) 369-2200.

Sincerely,

A handwritten signature in blue ink that reads "Robert Cooper". The signature is fluid and cursive, with the first name being the most prominent.
